

## A successful Youth In Action project

Students from Exeter Royal Academy for Deaf Education had a wonderful experience meeting other deaf students from France, Slovakia and Romania at the Junior HIPEN project meeting in Cluj-Napoca.

Youth in Action  
Programme

Youth Exchanges

Cluj-Napoca, Romania  
14-19 June 2010

Through formal workshops and informal activities the students shared information about their culture, their future job possibilities, and the rights of deaf people in their countries.

They learnt about the education of deaf youth in other countries and tried out each others' sign language.

Students communicated through sports, dance, food and made friends with their European peers who they would never otherwise have met.

They concluded that they would like to set up a European association of deaf youth with opportunities for future youth exchange visits.
